

# Lower Suwannee Art & Nature Festival

## Vender FAQs

**Can I pay for my vendor space online?** No, we do not accept online payments. Don't be fooled by scammers, especially on Facebook, offering this service. Your vendor form has all the details for how and where to pay.

**Are vendor spaces free for non-profit organizations?** No. All booth spaces require payment of a fee which enables us to keep that amount very affordable for all vendors.

**Can I reserve a particular spot?** Depending upon availability, we may be able to do this. Preference is given to returning vendors.

**Can I bring a trailer instead of a tent?** Yes, if you are a food vendor. If you are not a food vendor and want to use a trailer, check well ahead to see if we have room. Trailer size determines the cost of the space.

**Do you have electric hookups?** Please check early if you need this extra as there are very few electrical outlets.

**Can I run a generator?** Generators are not allowed in the main vendor area due to noise and fumes. Food vendors may use generators.

**Do I have to bring my own table & tent?** Yes, vendors must supply all parts of their booth set up. For your comfort at this outdoor venue, we recommend canopy tents, not just tables.

**Will you postpone the event if rain is forecast?** No. The festival goes on, rain or shine!
